

**In DT we will be:**

- Looking at different ways of joining fabric including learning to sew.
- Designing and creating a Christmas stocking.

**Parents Notice Board.**

- Please ensure your child has their reading book in school every day.
- Please remember that your child needs their PE kit on Thursday.
- Please ensure that homework is completed by Wednesday on teams.

Thank you.

# Why do some Earthquakes cause more damage than others?

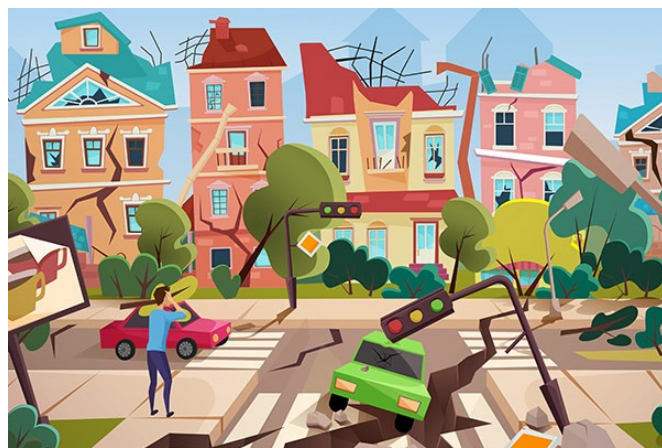

## Year 3 Topic Autumn

November—December  
2021

# Our Entry Point...

As an introduction to our topic, we will be:

- Looking at earthquakes that have happened around the world and the effects they have had on the environment, and people that live there.

**In English we will be exploring and creating:**

- A fantasy story based on a fable.
- Play scripts.
- Non-fiction information texts.
- Poetry with a story

**In Mathematics we will be:**

- Understanding place value.
- Adding, subtracting, multiplying and dividing.

**In Science we will be:**

- Investigating, describe and test materials
- Investigating light and shadows.

**In Geography we will be:**

- Investigate earthquakes that have happened around the world using a map.
- Look at how countries have been affected by earthquakes.
- Investigate why some countries have more earthquakes than other countries.
- Explore why the largest earthquakes don't always cause the most damage.
- Investigate why volcanoes happen in the same places as earthquakes.
- Identify famous volcanoes using a map.
- Research earthquake and volcano case studies.
