

Expressive Arts and Design

I will use construction materials to make different interesting buildings and locations. I will also use materials such as clay to make minibeasts and magical creatures. I will create finger puppets and have the opportunity to perform puppet shows with my friends.

Physical Development

I will be able to understand how I can keep myself safe at school and in the wider community. I can form letters correctly and write my own name. I can join in with P.E activities and negotiate space safely around school.

Assessment

If you notice the following at home please inform us as it will contribute to the children's assessments.

- Describing different shapes or patterns — if they can identify different features.
- Showing an interest in text and pictures in their surroundings and talking about

Parents Notice Board.

- Please remember to clearly label all belongings with your child's name and class.
- Children need to be in PE kits every Wednesday.
- Please encourage your child to read and write at home.
- Homework is set weekly on Dojo and should be completed by Monday.

Thank you.

Magic!

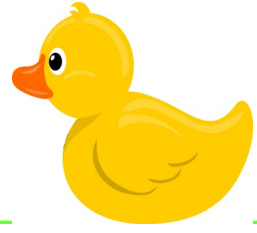

Reception Summer Term June-July 2022

Literacy

I will order events from a familiar story, and describe story settings. I will also use my imagination to create a potion and a pop up story book. I can read simple sentences and continue a rhyming string.

Communication and Language

I will be listening to lots of stories about animals on the farm. I will be able to retell these stories using different props and resources.

Personal, Social and Emotional Development

I will demonstrate confidence in talking to others about my feelings and emotions. I can be considerate to others and take their ideas on board. I can adapt to changes in routine and prepare for year 1.

Mathematics

I will be able to add and subtract using one digit numbers. I can identify one more and one less than a given number up to 20. I can confidently recite numbers in order to 20. I will be able to use vocabulary relating to time and money.

R.E

I will learn about special places around the world. I will learn more about significant buildings includes churches, mosques and synagogues.

Understanding the World

I will learn more about past and present events and prepare for our journey into year 1. I will learn more about the different seasons and weather changes. I will compare and contrast different places around the world and complete some science experiments.
