## **Covid-19 Statement** **Super Dudes - Childcare**

September 2020

In line with the latest government advice and guidance, we would like to reassure you that we have been working tirelessly to make sure our childcare environment is safe to welcome you back.

We now have the following safety measures in childcare in place

- Hand soap, paper towels at all sinks
- Maintaining a 2 metre distance
- Regular cleaning of tables, chairs and equipment
- Hand sanitising points at entrances/exits
- PPE equipment when required. (accidents and emergencies)

In childcare, each child will be given their own art and craft equipment set to use and this will be cleaned/sanitised after each use.

Children will remain in their school year bubbles during childcare hours.

We will have regular hand washing and children will be supervised at all times.

To accommodate the extra space required to maintain social distancing between bubbles we will be using the school hall.

If you have any concerns or questions regarding Super Dudes please contact a member of staff.

Thank You
