

Create a masterpiece

3 Housepoints

Go to a local park and create a landscape drawing of the things that you can do in the park.

Geography

Create a simple map of the road where you live. Challenge: include a key!

English

2 Housepoints

Interview a family or friend who has lived in the area for a long time and find out some of the changes that have happened.

Hand In Date

October half term

This half term's Parent Points Project is:

Local Study:

Bilston

Put your computing skills to the test

2 Housepoints

- Draw your house using 2Paint which can be found on Purple Mash. Challenge: Can you add details such as guttering, door handles and your house number?

Science

4 Housepoints

Create an investigation which explores one of the senses.

You could...

- * Taste test different foods.
- * Go for a listening walk
- * Compare the scents of different plants or soaps.
- * Go on a texture hunt (finding something smooth, hard, rough etc)
