

## Create a masterpiece

3 Housepoints

Using a photograph of a family member, use the transfer technique you have learnt in the Andy Warhol unit and create a piece of family pop art.

## Hand In Date

1st April

## Science

3 Housepoints

Go bird watching in a local park/garden/nature reserve. How many birds can you identify? Create a simple table and graph to show your findings.

To help you identify the birds you saw...
