

13.03.20

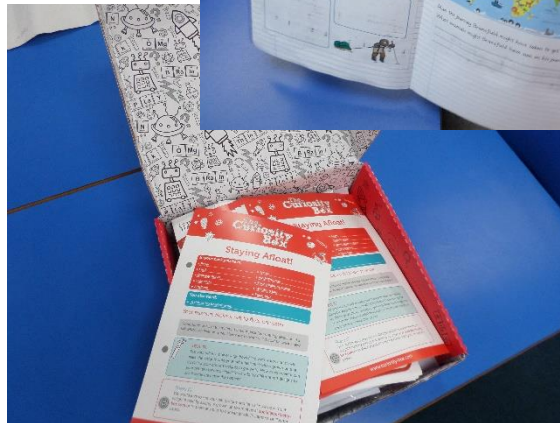

# Science Day – STEM Curiosity

Year 3 have been completing their bridge building challenge using the **SUPER STRENGTH** curiosity box!

Year 1 having been trying to **STAY AFLOAT**, incorporating their curiosity box with planning a trip to Antarctica.

Our youngest children in Reception have been building their very own **RUBBER BAND RACERS**

13.03.20

Year 6 have been exploring **EXCITING ENERGY** and discovering new, sustainable energy

Year 5 have been trying to save Sir David Attenborough by applying their **CRYPTIC CHROMATOGRAPH**

13.03.20

Year 2 have been  
very excited when  
making their very  
own **COOL**
