

In Art we will be:

- Investigating portraits by looking at a variety of artists
- We will be using a range of different art materials
- Creating our own portrait

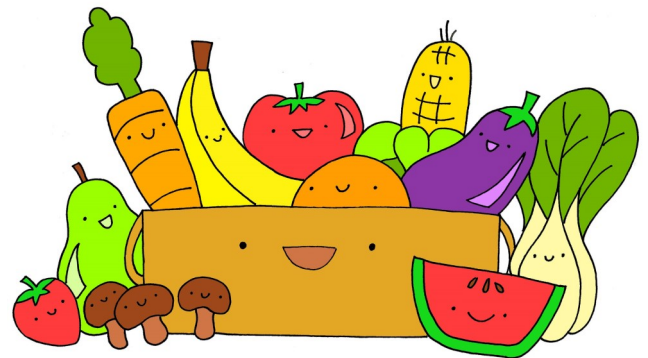

Parents Notice Board.

- Please ensure your child has their reading book and spelling book in school every day.
- Please remember that your child needs their PE kit on Monday
- Please ensure that homework is completed by Thursday.
- Remember to go on TTrackstar as often as you can

Thank you.

**Why does it
matter
where my
food comes
from?**

**Year 2
Topic
Spring 1**

Jan - Feb
2020

Our Entry Point...

As an introduction to our topic, we will be:

- Looking at and classifying different food and making our own butter in class

In English we will be exploring and creating:

- Traditional tales
- Instructional writing

In Mathematics we will be:

- 3D and 2D shapes
- 2, 5 and 10 times table
- Measure grams and kilograms
- Formal addition and subtraction

In Science we will be:

- Investigating habitats
- Looking at life processes in different living things.

In Geography we will be:

- Identify and classifying different foods that we eat.
- Describe the main human and physical features of a landscape
- Explain reasons why the weather in Devon is good for dairy farming
- Explore the mainstages in the harvesting process
- Look at different fruit and vegetable
- Explore how sugar is made
