

BILSTON CHURCH OF ENGLAND PRIMARY SCHOOL

NEWSLETTER Number 10 14th December 2018

Well done to all staff, children and young people involved in the annual City Diversity Celebration held last Friday. More than 450 pupils from 18 schools across the city took to

the stage in front of an audience of over 1000 at WV Active Aldersley. They were joined by members of Wolverhampton Music School and performed in front of The Deputy Mayor, all three of our City's MPs, faith and education leaders and family and friends. The celebration is a unique annual event which brings together young people of all ages from across Wolverhampton to celebrate the wide diversity of cultures, languages, traditions and faiths found in our city. This year's theme was City of Dreams and the event proved to be a great showcase to parents and the wider community of some of the many strengths of the city's education provision. This year, the children and young people were joined by a choir made up of staff from across the schools who had met up after work to rehearse!

We had our Xmas lunch in school today and also dressed in Xmas jumpers! Well done to Mr Harris for finding a Christmas suit!
