

## Create a masterpiece

### 3 Housepoints

- Create a poster showing people how they can save water.
- Create a picture of water

## English

### 2 Housepoints

- Write a diary entry as if you were a child living in Birmingham at the time of the Cholera outbreak. How did you feel? Have you lost any friends or family to cholera?
- Write an account of what life would be like if we didn't have access to clean water and what you wouldn't be able to do anymore.

## Hand In Date

3rd April

This half term's Parent's Points Project is:

**Where is the most valuable thing in the world and who owns it?**

## Geography

### 4 Housepoints

- Design your own map using symbols to show different attractions and show this in a key at the side.
- Write a questionnaire to ask people in your family about how much water they think they use every day.

## Put your computing skills to the test

### 2 Housepoints

- On Purple Mash load the program 'How we use water' and create a poster using Purple Mash on how we use water in the home.
