Vicky led the meeting by handing out some notes as a summary of the AGM. Minutes taken by J Blaze. The

FOBS accounts for 2019 were shared in summary but full accounts and bank book were available also. Our school business manager had summarised that the accounts were up to date and correct. We reviewed events from last year and thought some changes could be made this year. Accounts were reviewed and we were reminded we still need to add another name to the bank account.

We then discussed up and coming events with some new ideas of Breakfast with Santa, a Summer Fun Day and an evening on the Polar Express event.

We will continue to promote our events using the school website and the school Facebook page, this has proved to be successful this last year.

There was a vote for re-election of committee members and there was no change.

Mr Gentle thanked us all for our continued support and dedication and also indicated that it is a shame that more parents are not on board.

AOB – New BBQ needed for 2020, new location of FOBS notice board to be arranged and repaired and the lack of storage for our FOBS resources is becoming a problem, ideas needed.

Vicky answered any questions, reported on forthcoming events and thanked everyone for attending. Meeting was brought to a close.
