

In Art we will be:

- Looking at the artist Giuseppe Arcimboldo
- Re creating different pieces of art work in the style of Giuseppe Arcimboldo

Parents Notice Board.

- Please ensure your child has their reading book and spelling book in school every day.
- Please remember that your child needs their PE kit on Monday
- Please ensure that homework is completed by Thursday.

Thank you.

*How does the
weather
affect our lives?*

**Year 2
Topic
Autumn**

September—October
2019

Our Entry Point...

As an introduction to our topic, we will be:

- Looking at different types of weather through pictures and describing them as well as making some weather art-work

In English we will be exploring and creating:

- Stories with familiar settings.
- Information texts.

In Mathematics we will be:

- Understanding place value.
- Adding, subtracting, multiplying and dividing.
- Understanding the properties of shapes.

In Science we will be:

- Investigating materials
- Identifying materials
- Describing materials
- Testing materials

In Geography we will be:

- Identifying and describing weather
- Observe, measure and record weather patterns
- Present and describe different weather patterns
- Look how weather changes over seasons
- Observe different weather patterns around the world
- Explain temperature difference around the world
- Compare and contrast 2 different environments

In History we will be:

- Understand why Captain Robert Scott and his team wanted to be the first to reach the south Pole
